Weatherization provides energy efficiency services at no cost to the homeowner or renter that are tailored to each house for maximum cost savings. Families receiving weatherization services see their annual energy bills reduced by approximately $250 to $450.

**Program Frequently Asked Questions**

**Are there any out of pocket costs?**
No! Weatherization provides energy efficiency services at no cost to the homeowner or renter that are tailored to each house for maximum cost savings.

**What weatherization services can I receive?**
- Wall Insulation
- Attic Insulation and Ventilation
- Furnace Evaluation
- Foundation Insulation
- Air Leakage Reduction
- Smoke Detectors
- Dryer Venting
- Carbon Monoxide Detectors

**Who will be doing the work to my home?**
Wayne Metro works with certified weatherization contractors who are all licensed and insured. All energy measures are installed to meet state standards and verified by a certified quality control inspector.

**Are there income guidelines to be eligible for the program?**
Yes. The graph shows the income guidelines for eligible households (Auto Eligibility SSI, SDA, FIP):

<table>
<thead>
<tr>
<th>Household Size</th>
<th>Annual Income</th>
<th>Monthly Income</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>$27,180</td>
<td>$2,265</td>
</tr>
<tr>
<td>2</td>
<td>$36,620</td>
<td>$3,052</td>
</tr>
<tr>
<td>3</td>
<td>$46,060</td>
<td>$3,838</td>
</tr>
<tr>
<td>4</td>
<td>$55,500</td>
<td>$4,625</td>
</tr>
<tr>
<td>5</td>
<td>$64,940</td>
<td>$5,412</td>
</tr>
</tbody>
</table>

**What is the weatherization process like?**

1. Apply and enroll in the Weatherization Assistance Program
2. An inspector will conduct an initial home assessment to determine if your home qualifies for weatherization.
3. An energy audit will be done, and the results will guide what kind of work will be done.
4. A certified Weatherization Contractor will perform the improvements which may include sealing cracks, insulation, and HVAC repairs. Work is done at no cost to the client.
5. A one year warranty will be offered after a final inspection to ensure that everything is in proper working order.

**Easy tips to save energy**
- Use fans instead of air conditioners
- Unplug unused appliances
- Keep water setting at low
- Take seven minute showers
- Do not use space heaters, if at all possible
