Detroit’s First Water Affordability Plan

The DWSD Lifeline Plan provides income-eligible enrolled Detroiters up to 4,500 gallons of water (equivalent to 6 CCF) every month at a fixed rate based on their household income.

**How it Works**

The DWSD Lifeline Plan has three tiers for qualifying households:

- **$18**
  Your monthly water, sewer & drainage bill if household income is at or below 135% of Federal Poverty Level (FPL) or SNAP/FAP

- **$43**
  Your monthly water, sewer & drainage bill if household income is above 135% of FPL but at or below 150% of FPL

- **$56**
  Your monthly water, sewer & drainage bill if household income is above 150% of FPL but at or below 200% of FPL

If water usage exceeds 4,500 gallons (equivalent to 6 CCF) per month, the household will be charged for the additional usage based on DWSD’s new inclining block rate structure.

**Who is Eligible?**

Income-eligible Detroit households include:

- The 2,500 households currently enrolled in WRAP will be auto-enrolled in DWSD’S Lifeline Plan
  - The 19,000-plus households who were previously in WRAP can immediately qualify and will be contacted by Wayne Metropolitan Community Action Agency
- Low-income-eligible households
- Households receiving SNAP/FAP benefits.

Qualifying residents can enroll with Wayne Metro!
