

WAYNE METRO'S COMMUNITY ENGAGEMENT NEWSLETTER

April Edition!

LET'S LEAP INTO SPRING!

WE'RE WRAPPING UP APRIL WITH A LOOK BACK—AND GEARING UP FOR AN EXCITING MAY AHEAD!

First! A look back on April

Black Tie Gala

Wayne Metro had the pleasure to attend the Annual Black Tie Gala hosted by the Southern Wayne County Regional Chamber. This event is downriver's premier business expo, and annual gala celebration. This is an opportunity to market businesses, small businesses, corporate and non-profit executives, and municipal officials at this prestigious expo and gala! This event connects small businesses, non-profit professionals, and community members to continue to achieve the mission and vision to help those in need, and keep community at the core.

In Partnership with the City of Dearborn, our Community Engagement Coordinators were proudly recognized by the City of Dearborn for their outstanding performance, dedication, and efforts to help serve the residents of Dearborn. Since the beginning of this partnership, Wayne Metro has helped to service 888 households, and allocated \$1,159,886 for water assistance. Additionally Wayne Metro has serviced over 2,000 households and allocated \$63,000 for utility assistance. We are proud to help the residents of Dearborn, and we look forward to this continued partnership.
