

FY2026 Neighborhood Beautification Program (NBP)

The Stellantis Impact Neighborhood Fund Grant Guidelines

DESCRIPTION:

The **Stellantis Impact Neighborhood Fund** will provide funds to neighborhood associations, block clubs, nonprofits, and faith-based organizations with big ideas to improve the quality of life in the Stellantis Community Benefits (CBO) Impact Area.

The Stellantis Impact Neighborhood Fund was created as a provision of the [Community Benefits Agreement](#) for the 2019 expansion of the Stellantis (formerly FCA) Mack Avenue Assembly Plant. The use of this fund was determined through intensive resident engagement during the [Greater Warren/Conner Neighborhood Framework](#) in 2023 and 2024. In order to support the work of local community organizations to improve quality of life in their neighborhood, the Neighborhood Beautification Program will utilize \$198,000 of the fund for projects in the Stellantis CBO Impact Area.

Grants between \$5,000 and \$10,000 are available to fund 20 to 40 projects in the Stellantis CBO Impact Area. Both the applicant organization and the proposed project must be located in the Stellantis CBO Impact Area, within City Council District 4 on the far east side of Detroit. The Impact Area is bound by I-94, Newport Street, the Detroit River, and McClellan Avenue (see map below). Programming includes both Beautification Projects and Community Programming.

Applicants to the Stellantis Impact Neighborhood Fund are highly encouraged to propose projects and programs that respond to and advance the recommendations of the [Greater Warren/Conner Neighborhood Framework](#), specifically in the areas of neighborhood stabilization, resilience zone implementation, commercial and economic development, mobility and streets, parks and open space, and climate resilience and health equity.

OBJECTIVES:

Awarded Beneficiaries will partner with Wayne Metro, and the City of Detroit to achieve the following objectives:

1. Mitigate the impacts of the COVID-19 and improve social determinants of health in disproportionately affected communities by increasing the quality and amount of green spaces
2. Advance equity and inclusion by supporting community-driven improvement projects in underserved neighborhoods
3. Decrease amount of blight in underserved neighborhoods, while increasing beautifying physical components
4. Increase number of outdoor gathering spaces in neighborhoods leading to greater community cohesion

AVAILABLE FUNDS:

Organizations can apply for \$500-\$10,000 per project for the following activities.

Neighborhood Beautification Program – Overview			
What can you NOT do with the funding?			
COMMUNITY GARDENS	PUBLIC SPACE IMPROVEMENTS	CLEAN-UP ACTIVITIES	COMMUNITY PROGRAMMING
• Sheds, shipping containers or hoop houses • Rainwater catchment or irrigation systems	• Pavilion or gazebo construction • Water features • Non-programming related food purchases	• Construction or rehab activities • Street/alley activations	• Facilities costs • Organizational expenses • Gift cards + giveaways • Advertisements
Non-staff stipends/payroll, land acquisition costs, reimbursements			
These items can still be a part of your project, but they CANNOT be paid for by this grant.			
			

Grant awards may be less than requested per application. Organizations are permitted to reapply for funding for each grant year.

Allowable costs: Funds CAN be used for project related supplies and materials; to hire contractors or consultants; project related administrative fees *up to 15%*; and liability insurance.

Disallowable costs: Funds CANNOT be used for any of the following:

- Community Programming (i.e. Food costs, Venue Rentals, Transportation, Instructors, etc)

- Construction related activities, including but not limited to: hoop houses, sheds, pavilions and/or house or structure rehabilitation or improvement
- Street/alley activations
- Water features or water catchment systems, including rain barrel installation and irrigation systems
- Any project that required cement slabs to be poured (cement footers for fencing, signposts, or seating area case-by-case basis)
- Staff payroll, stipends or scholarships
- Land acquisition or real estate purchases
- Projects that do not comply with city ordinances
- Gift cards
- Reimbursement to cover costs associated with events or activities that have occurred outside of the Grant Term
- **Any costs not directly related to the funds requested in the proposal**

ELIGIBLE ORGANIZATIONS:

Applicant must meet **all** of the following criteria to be eligible for funding:

1. Applicant must be a Detroit neighborhood organization that falls into one of the following categories:
 - a. City Registered Neighborhood Association or Block Club that has 501c(3) tax exempt status
 - b. An LLC that partners with a 501(c)(3) nonprofit organization serving as its fiduciary.
 - c. Nonprofit organizations or Faith-based organizations ***working in partnership with a City Registered Neighborhood Association or Block club within 1 mile of their facility***. Partnerships must be documented with the provided [Neighborhood Beautification Partnership Letter Template](#).
2. Applicants must be able to demonstrate site control of up to 4 eligible lots on which the proposed project will take place. Site Control is show by:
 - a. Deed(s) in the name of a 501c(3) or LLC *with the same name as the applicant organization*

ELIGIBLE LOTS

To be eligible for funding, proposed projects must take place on lots that meet the following criteria:

1. Lots must be zoned as R1, R2, or R3.
 - a. To check how your lot is zoned, please refer to this map:
<https://detroitmi.gov/webapp/detroit-development-opportunities>
2. Lots must be owned by a legal entity with the same name as the applicant organization.

Projects on lots owned by individuals are NOT eligible for funding.

PROJECT ELIGIBILITY

Stellantis Impact Neighborhood Fund grants may be used towards two categories of projects:

- **Beautification projects** such as:
 - Community gardens, public space improvements, clean-up activities
- **Community programming** in topics such as:
 - Gardening, health/fitness, life skills, community safety & awareness
 - NOTE: The Stellantis program requires submission of the same documentation as beautification applicants, *excluding* the deed and plot plan. Instead, the programming scope requirements should include:
 - Project curriculum
 - Priority topic
 - Event dates, times, and location

To be eligible for funding, projects must:

NBP Grant Guidelines | 3

- Fall into one of the approved project categories as seen in the chart above
- Address a community need, demonstrate community buy-in and positively impact the community
- Benefit Detroit residents and **be available to the public**
- Have a clearly defined Scope of Work and Budget with realistic goals including:
 - Note: programming scope requirements should include:
 - Project curriculum
 - Priority topic
 - Event dates, times, and locations
- Have a Plot Plan Approved by BSEED: A Plot Plan is a simple one page drawing that shows the dimensions and configuration of your property. It includes the size and precise location of existing and proposed features and physical changes (if applicable)
 - For more information on Plot Plans please refer to the [Plot Plan, Site Design and Maintenance Guide](#).

REQUIREMENTS FOR AWARDED BENEFICIARIES:

These requirements are only applicable to organizations who are awarded. More information will be provided with the award notice.

- All Awarded Beneficiaries must submit an application for and receive a Building Permit Application for each lot before project implementation.
- All Awarded Beneficiaries must obtain general liability insurance for the duration of the grant term (***Liability insurance can be written as a budget line item***)
- Comply with all grant agreement requirements, including but not limited to: submitting reports, supplying photographs of project progress, participating in the Program Assistant Liaison (PAL) program which includes project monitoring and program evaluation activities. Failure to participate may affect eligibility for future funding and/or disbursement of grant monies.
- Grant funds must be expended within the grant term indicated on the Memorandum of Understanding (MOU) (otherwise known as the Grant Contract). The MOU will be supplied by Wayne Metro before funds are disbursed.

APPLICATION PROCESS:

Applications are accepted and awarded on a rolling basis. Applications and all applicable documentation are to be submitted via the online submission form. *Please note: you do not need to complete the application in one sitting, you can save your work and resume.*

NBP Grant Guidelines | 4

[Apply here](#)

The last date to submit an application is October 24th, 2025. ***Applications will only be considered for funding if they are complete.*** Please read the following carefully.
